

SportStart Testimonials – Students

Thorrington Primary School

“No one stops moving and no one’s waiting in line.”

Sophie, Year 5

“Everyone’s having fun, not just some people, and no one’s missing out.”

Travis, Year 6

“My favourite game is Cross the Swamp, and I really like it, because you have to do hopping and jumping, and there’s someone coming from the other side.”

Nico, Year 2

“I like learning new things in sport because it gets you more interested.”

Sam, Year 4

“I like learning new games and working together in a team. I like competing against other people. It’s good knowing how to learn with other people.”

Gemma, Year 4

“How it’s got a good range of equipment and you can make your own games up.”

Ethan, Year 6

“I like how we get to do different games with equipment and with a team it’s better. In games like Octopus, you are playing by yourself, but in SportStart, you play in a team.”

Tess, Year 5
